

Frazier Basin Avalanches

Date

Wed, 02/19/2025 - 13:30

Activity

Skiing

From IG - "Toured out to Frazier Basin and turned around seeing widespread avalanches and active [wind loading](#). Despite our pits on the Throne the day before showing no weak layers, the amount of [wind loading](#) and potential for slabs over density changes gave us pause. Good skiing and sledding down low."

Region

Bridger Range

Location (from list)

Frazier Basin

Observer Name

M Cohen
